## EDUCATION AND CERTIFICATIONS

### Faculty of Computers and Information science | Mansoura University Graduation Year (2022)

I graduated from the Faculty of Computers and Information, Mansoura University, computer science department.

### Front-End Web Developer Nanodegree Program | Udacity (2022)

Build and develop a variety of websites and applications. It made me able to construct responsive websites using CSS, Flexbox, and CSS Grid develop interactive websites and UI (User Interface) applications using JavaScript and HTML, and connect a web application to backend server data using JavaScript. I also learned to improve competency by automating application build and deployment using Webpack and improving the performance of websites

## EXPERIENCE

### Freelancer | Front-End Developer

June 2024 - present

It was my web development learning time and it will never end by the way. I started with the basic web technologies (HTML, CSS, JavaScript) for the first year. I worked on freelancing platforms (e.g. Upwork, Freelancer, Fiverr, Khamsat, Most Aql, etc.).
